

# Heavy D, I Don't Think So

[scatting for first 14 seconds]

If you think, you gon' waste, my, time (baby)  
I don't think so

[Heavy D]  
Ready to come in on that one  
Uno, check me out, yo

[Heavster singing]  
See I know how you get down  
You want a nigga to put down before you go down  
Always hangin around  
In front of everybody, showin off yo' body  
How'd you get in Puffy's party, or need I ask?  
You shook yo' thing at me, playin yo' games with me

[Chorus]  
If you think, you gon' waste, my, time (baby)  
I don't think so - baby I don't think so  
Cause if you think, you gon' change, my, mind (baby)  
I don't think so - no baby that's a no no

[Heavy singing again]  
I see you on the corner frequently  
You and yo' bum friends be hatin me (true)  
Because I'm makin G's  
A nigga don't owe you a thing  
So now you studyin my personal  
and my platinum thing  
Stupid - you ain't phasin D  
And all that talk you talk you ain't amazin me

[Chorus]

[female singer]  
Don't stop, give it to me daddy  
Don't stop, Heavy give it to me  
Don't stop, give it to me daddy  
Dont' stop, Heavy give it to me

[New Chorus]  
Cause if you think, you gon' change, my, mind (baby)  
I don't think so - no baby that's a no no  
If you think, you gon' waste, my, time (baby)  
I don't think so - baby I don't think so  
Cause if you think, you gon' change, my, mind (baby)  
I don't think so - no baby that's a no no

[female singer]  
Don't stop, give it to me daddy  
Don't stop, Heavy give it to me  
Don't stop, give it to me daddy
