

Heavy Trevy, Save The Best For Last

Sometimes the snow comes down in June
Sometimes the sun goes round the moon
Just when I thought a chance had passed
You went and saved the best for last

All of those nights you came to me
when some silly girl had set you free
You wondered how you'd make it through
I wondered what was wrong with you

Cause how can you give your love to someone else
and share your dreams with me
Sometimes the very thing you're looking for
is the one thing you can't see

And now that we're standing face to face
isn't this world a crazy place
Just when I thought a chance had passed
you went and saved the best for last
