

# Hed PE, Renegade

I'm a renegade  
Back out motherfucker  
You better tap out  
Boo-hoo you crying baby  
Where you at now?  
Cuz i be lookin for you  
Me and my people lookin ready  
And we're lookin for truth  
So come and get this  
Make it hurt you know I love it when you  
Tap this  
put me up into a corner  
Be a witness  
Yeah this is critical mass  
We invite the revolution  
We ignite the past  
See me  
I'm still standing  
I might be bleeding  
But I'm still breathing  
I'll never surrender cause I'm a renegade  
What, what you want some  
Come and get some  
Pussy motherfucker  
I got you where you live nigga  
Me, you will never control, no  
Genocidal maniacal  
Devil, the party's over  
I'm a renegade  
A runaway slave  
I've been dreaming about my freedom  
On the underground train  
It's armagedon you're getting just what you wanted  
Critical mass, freedom at last, freedom at last  
See me  
I'm still standing  
I might be bleeding  
But I'm still breathing  
You might hate me  
But you can't break me  
I might be bleeding  
But I'm still breathing  
This dog will turn around and bite you  
Turn around and (WHAT) bite you  
This dog will turn around and bite you  
This dog will (WHAT)  
(Growl)  
How long do you thing I'm just gonna let you fuck with me and not do something about it?  
You think I'm just gonna turn the other cheek?  
You push me so I'll push you right back  
You push me so I'll push you right back  
You push me so I'll push you right back  
You push me so I'll push you right back  
See me  
I'm still standing  
I might be bleeding  
But I'm still breathing  
You might hate me  
But you can't break me  
I might be bleeding  
But I'm still breathing  
I'll never surrender cause I'm a renegade
