Heilani on mun vierahalla maalla ja kuinkahan sen aika kuluu
Vaikka min oon nin hulivilipoika niin vlihin voittaa suru
Kaikenlaisia kukkia kasvaa sinis vaan vh

Hedningarna - Heila (True Love)

My truelove is far gone to foreign countries
and I wonder what she'll be doing
Although I am just such a rascal youngster
sometimes my heart is grieving.

All kings of flowers grow in the fields
but only a few of the blue ones
I haven't now for a long time been able
to see the sweet eyes of my true love.
