## Heideroosjes, Grinding In My Head

You love him, not me anymore Who knows till I see you again It keeps grinding in my head

An animal in a death fight on TV Another cow with BSE It keeps grinding in my head

We clone sheeps, play God We kill out own kind It keeps grinding in my head

An asylum seeker kills himself Because he needs to go back to his own country It keeps grinding in my head

Cancer destroys his whole body He only has a day or five It keeps grinding in my head

And even God really exists, Why then is she always too late? It keeps grinding in my head

It keeps grinding in my head It keeps grinding, it never stops!
