

Heideroosjes, I'm Not Deaf, I'm Just Ignoring You

You're always yell into my head
Shout advice not to forget
Don't do this and don't eat that
Don't you fart and don't grow fat
Stay off drugs, never have faith
Have safe sex or masturbate

(CHORUS)

I'm not deaf...I'm just ignoring you!
I'm not deaf...I'm just ignoring you!
I'm not deaf...I'm just ignoring you!
I'm not deaf...I'm just ignoring you!

I have a life and it's all mine
Don't you dare to touch it when I feel fine
And if you don't like the way I live
I'm sorry but I won't change just to give
To give you the feeling it's under control
Cause being myself means being free at all

(CHORUS)

Would you please shut up so I can tell you this
Keep your mouth shut cause it stinks like fish
Just leave me the fuck alone
Please, shut up my head's turning into stone
And always when you tell me what I have to do
Remember I'm not deaf, I'm just ignoring you

(CHORUS)
