

Heidi Montag, More Is More

More is more
On the dance floor
It's f*cking chaos in here
More is more
Than you asked for
It's f*cking chaos in here
I'm good to go, got my girls in tow
I've been waiting all week to get high
Forget the plans, with your man, at your hand
There's plenty of that kinda guy where I'm goin'
More drinks
More skin showin'
More lights glowin'
It's an endless supply
Never too much, of a good thing baby
You don't need to be asking me why, no
More is more
On the dance floor
It's f*cking chaos in here
More is more
Than you asked for
It's f*cking chaos in here
Hook me up, with a Jack 'n Coke and let it flow
Till the end of the night
It's automatic that I jones like an addict
I could overdose on you tonight
More touch, less talk
Keep it up, boy
This is my favorite part
When I get started
There's no more I wish about it
I just gonna do what I like
(Believe it)
More is more
On the dance floor
It's f*cking chaos in here
More is more
Than you asked for
It's f*cking chaos in here
More you, more me
More of what we been doin' naturally
More this, more that
Oh boy, you're makin me love
Yeh, you're makin me love
Excessive, gimme extra in addition to what I got
Yeah, I get a lot
I can never get enough, so much goin on
This night is gettin so rough
More is more
On the dance floor
It's f*cking chaos in here
More is more
Than you asked for
It's f*cking chaos in here
