

# Helen Reddy, Leave Me Alone Ruby Red Dress

Big ole ruby red dress wanders 'round the town  
Talkin to herself now, sometimes sittin' down  
Don't you get too close now, ruby runs away  
Poor ole ruby red dress born on a sorry day  
I can hear her say

Leave me alone, won't you leave me alone  
Please leave me alone now, leave me alone  
Leave me alone, please leave me alone, yes leave me  
Leave me alone won't you leave me alone  
Please leave me alone, no leave me alone  
Leave me along, just leave me alone, oh leave me

Big ole ruby red dress, everybody laughs  
Say she's got no future and never made no past  
Something hurt that ruby, shomething she can't bear  
Ya look at her real close now, you see a little tear  
When she says now

Leave me alone, won't you leave me alone  
Please leave me alone now, leave me alone  
Leave me alone, please leave me alone, yes leave me  
Leave me alone won't you leave me alone  
Please leave me alone, no leave me alone  
Leave me along, just leave me alone, oh leave me

Some folks say some farm boy up from Tennessee  
Taught it all to Ruby, then just let her be  
Her daddy tried to hide it, tried to keep things cool  
But something happened to Ruby, she broke down to a fool  
who just said now

Leave me alone, won't you leave me alone  
Please leave me alone now, leave me alone  
Leave me alone, please leave me alone, yes leave me  
Leave me alone won't you leave me alone  
Please leave me alone, no leave me alone  
Leave me along, just leave me alone, oh leave me
