

Helena Paparizou, Mambo! (English Version)

Love has got me caught up, drives me to the door
Every little piece inside, is knocking at your door
Tell me, tell me, tell me,
Can't you see the signs
Written by a maniac
This love has made me blind

Can't deny, your voice gets me high
Just a little taste, shoot my love and hit me like a drum

Hey, hey, hey, I feel the Mambo a, e, a
The Mambo a, e, a you make my heart boom
Hey, hey, hey, just like the Mambo a, e, a
I let it out, Mambo a, e, a

You are my obsession, stuck into my heart
Never let you here to run, never let apart
Do it, do it, do it,
Come and save tonight
Wake up in a fantasy and take a little fly

Can't you see, your love addicted me
Just a little taste, shoot my love and hit me like a drum

Hey, hey, hey, I feel the Mambo a, e, a
The Mambo a, e, a you make my heart boom
Hey, hey, hey, just like the Mambo a, e, a
I let it out, Mambo a, e, a

Play the game, and get me hypnotised
Wanna feel that vibe, so hey Mr Wiz
Get the magic done let me sway up high
Baby here I am

Hey, hey, hey, I feel the Mambo a, e, a
The Mambo a, e, a you make my heart boom
Hey, hey, hey, just like the Mambo a, e, a
I let it out, Mambo a, e, a

Hey, hey, hey, I feel the Mambo a, e, a
The Mambo a, e, a you make my heart boom
Hey, hey, hey, just like the Mambo a, e, a
I let it out, Mambo a, e, a
