

# Helicopter Girl, It Doesn't Get Much Better Than This

It doesn't get much better than this  
It doesn't get much better than this

Can't you feel the heat between us  
Above room temperature  
Can't you feel the heat between us  
Warm Mecca

It doesn't get much better than this  
(I'm all yours sugar)  
It doesn't get much better than this  
(I'm all yours sugar)

Intoxicate is all that matters  
The 110 tango  
Rare euphoria like no other  
I feel the need for your liquid amber

Can't you feel the heat between us  
Above room temperature  
Can't you feel the heat between us  
Warm Mecca

It doesn't get much better than this  
(I'm all yours sugar)  
It doesn't get much better than this  
(I'm all yours sugar)

My baby he is hot to handle  
Hot stuff, hot stuff  
Toxicate is all that matters  
(Warm Mecca)

It doesn't get much better than this  
It doesn't get much better than this  
(Hot stuff, hot stuff)  
It doesn't get much better than this  
(Hot stuff, hot stuff)
