

Hell Is For Heroes, This Is Why

Gods knows
That it heavy and cold
rather dark but still clean
it's not a mutual ...
it's enough to get real
when you know it's just a dream
when your awake it all clean
paracites grow

what's it all for
final frontiers
gonna step up
and break them

there comes a time it's over
withnesing final curtain
welcom back messais
it's coming round again

...
