Hellacopters, Didn't Stop Us

They can't say what state we're in
They can't blame on what (song) we spin
'Cause it's f**ked-up business scene
Where they want everything to be so clean yeah!

Well, I don't mind the pain
For the companies golden rain
'Cause we know how to do
And we don't care 'bout you!

Tick tack tick tack BOOM!
There's a bomb inside your room
And it's just about to explode in your face
By then we've won the go-go race

Well, I don't mind the pain
For the companies golden rain
'Cause we know how to do
And we don't care 'bout you!

They didn't stop us
They can't stop us
They didn't stop us
Never never never never never oh no

Oh yeah!

Well, I don't mind the pain
For the companies golden rain
'Cause we know how to do
And we don't care 'bout you!

They didn't stop us
They can't stop us
They didn't stop us
Never never never never never oh no no no!
