

# Hellcopters, Hurtin' Time

You put the hurt on me babe  
I put the hurt right back  
That's a lot of hurt and we're heading  
Down on a nowhere track

My eye for your eye  
Your tooth for my tooth  
Leaves the whole world blind without teeth  
And baby that's the hurtin' truth

It's hurtin' time  
Well you know it&#x201c;  
Hurtin' time

I apologise now  
And wait for you to respond  
Will you say you're sorry  
Or will the hurtin' times keep going on

It's hurtin' time  
Well you know it's  
Hurtin' time

A blow for a blow  
The biter bit  
Face right down  
In the hurtin' grit

Hurtin' time

You put the hurt on me babe  
I put the hurt right back  
That's a lot of hurt and we're heading  
Down on a nowhere track

It&#x201c; hurtin' time  
Well you know it&#x201c;  
Hurtin' time  
Hurtin' time  
Hurtin' time
