

Hellacopters, Spock In My Rocket

Ouh!

Goin' down
Whatelse can I do
Drenched down
In the city sewer

Goin' down in the sewer groove
Goin' down yes I'm goin' down
Where the gods can't pay my dues

Goin' down
Wanna get some respect
Wanna be around
Rats don't neglect

Goin' down in the sewer groove
Goin' down yes I'm goin' down
Where the gods can't pay my dues

Goin' down
Whatelse can I do
Drenched down
In the city sewer

Goin' down in the sewer groove
Goin' down yes I'm goin' down
Where the gods can't pay my dues
Goin' down yeah goin' down
Where the gods can't pay my dues
