

Hellcopters, Turbonegro - Remain Untamed

You can beat me up
You can knock me down
And you can try to cage me
Try to cage me

You know who I am
The son of 'berman
So you can try to cage me
Try to cage me

Remain untamed
Coz' you know I'm ahead of the game
You know that's my name

Remain untamed x3

You can touch my lips
And you can twist my tits
But you can try to cage me
Try to cage me

You can cut me loose
Let
But you can try to cage me
Try to cage me now

Remain untamed
Coz' you know I'm ahead of the game
You know that's my name

Remain untamed x3

Forever unleashed
Forever un...
Forever untamed
I shall remain untamed! (Hey!)

Remain untamed
Coz' you know I'm ahead of the game
You know that's my name

Remain untamed x3
Remain insane!
