

Hello, Jenny Dream

Oh baby, am I too late
To make a brand new start?
Oh baby, try harder
I mean that from my heart

Jenny dream, Jenny dream
Dream, dream, dream
I love you
Jenny love, Jenny love
Love, love, love

Oh tell me, can I try
To make it up to you?
Oh tell me, do you feel
The way you know I do?

Jenny dream, Jenny dream
Dream, dream, dream
I love you
Jenny love, Jenny love
Love, love, love

Dream on you
Jenny dream, Jenny dream
Dream, dream, dream
I love you
Jenny love, Jenny love
Love, love, love
