

# Hello, Love Stealer

It's been a year since I was here  
On the street I'm just passing my time away  
To the left and to the right a town of stone grows to the sky  
And it's out of sight in a fading light here I am again in the city  
With a fist full of dollars and baby you gotta believe:  
I'm back  
back in the New York groove  
I'm back  
back in the New York groove  
I'm back in the New York groove. in the New York groove.  
In the back of a Cadillac with a lady by my side  
Tell you where I'll be stop at third and forty tree  
Dance into the night  
it's gonna be ecstasy  
This day was made for me.  
I feel so good tonight who cares about tomorrow.  
I'm back  
back in the New York groove . . .
