

Hellogoodbye, Oh Karissa How I Miss Ya

Oh Karissa.. How I miss ya
Won't you say you miss me too.
I burn a cd through which I am pleading
That you and I might hang out soon.
Oh I don't mean a date, or anything serious
I just think that we'd be good friends.
So if you're not busy
I'm just a bit curious
If we could hang out this weekend.
