(Oh my god Erin

it's just so big
She looks like one of thoes scene guys girlfriends
but who understands thoes scene guys anyway
they only talk to her because they saw her pic on makeoutclub.com
I mean..her duck-butt..It's just so big
I can't believe it
It's just so black and out there

Look she's just s--so..EMO.)

welcome to the record
i hope you like it
i made music in my bedroom

tell me that you thought it was kind of cool
my name is forrest and im tall and lanky
the girls always tell me 'homie, you so stanky'
i've worn these jeans for the last four weeks
i've been too busy with my rhymin techniques

welcome to the record
i know you'll like it
i brought this football

if you see me rhymin and stealin
tell me good vibes is what you feelin
my name is jesse and i'm hot and steamy
ladies always tell me 'jesse, you so dreamt'
i made these jeans look the way they do
and i'm corporate spronsered so i do the dew
