

# Halloween, Ain't Got Nothin Better

I'm always on the run with my guitar and my old shoes  
I'm movin' and I'm groovin' and I really got the blues  
I'm always havin' fun and I've got nothin' left to lose  
I never tune my guitar 'cause I like the way it grooves

Sitting in a sleazy bar I'm slowly goin' down  
I ain't got no more money but I know you'll be around  
Early in the morning and the first kiss isn't far  
I ain't got nothing better than my girl and my guitar

We're rockin' and we're rolling and we don't know what we do  
We play so loud and out of tune I need a new tattoo  
We don't give a damn-shit we five horsemen on the run  
We only wanna go out there and have a lot of fun

[Chorus]

Take me through the night and I will always be with you  
Feel me, touch me, hear me, yes I love the things we do  
Love me and I show you just the way I love you too  
We belong together and I never let you go

[Chorus]
