

# Halloween, In The Middle Of The Heartbeat

Tell me pretty girl, do  
you know how I am?  
Have you ever seen me  
as your friend?  
Anything we have is  
those hungry nights  
But there's so much  
left unsatisfied  
All those little things  
you told me  
Ain't good enough to  
show me  
That we're gonna make  
it through the time  
I found out  
In the middle of a  
heartbeat  
And I know that I'm  
doin' right  
Together we are still  
so far apart  
I found out  
In the middle of a  
heartbeat  
and the more I try to  
be your light  
I can't get any closer  
to your heart  
Now that I'm afraid  
just to ask for more  
I'm still waiting  
as I did before  
If you only said that  
it's not too late  
We could then rely  
upon your fate  
All those little things  
you'd tell me  
Could bear enough to  
show me  
That we're gonna make  
it through the time  
I found out  
In the middle of a  
heartbeat  
And I know that I'm  
tellin' right  
Together we are still  
so far apart  
I found out  
In the middle of a  
heartbeat  
and the more I try to  
be your light  
I can't get any closer  
to your heart  
I found out  
I found out  
I found out  
In the middle of a  
heartbeat  
And I know that I'm  
doin' right  
Together we are still

so far apart  
I found out  
In the middle of a  
heartbeat ...
