Im your maker Mold your mind Idea-creator Bias from behind

Poeple never wonder How the world goes round They who care go under Thats what Im about

I Kill It, Kill It, Kill It Kill It, Kill It Care must die Kill It, Kill It, Kill It What we cant tie What we cant buy Must die

Im soulhunter
Of the might
Upright hatemonger
Angel of the blind

Poeple never wonder How the world goes round They who care go under Thats what Im about
