

Hellraiser, See You In Hell

you wanna end up in the streets
you wanna be in misery
that's what you're getting for yourself
gotta, gotta, gotta, gotta
gotta shake wie
gotta move out of here
'cos I know what I want
singe the day I was born
get your ass out of this shlt
and do it how
turn me loose I want to f**k
some deadly gunt

I'm gonna try to make you see
don't let ya f**k around with me
I'd rather see you down in hell
