

Hellraiser, Vision Of Darkness

the night so long it makes me freeze
I'm having strange experience
the cannibals are chasing me
is it V dream - infinity

but I can not run
I'm hard like a stone
I wanna wake up
but it never stops

visions of darkness
in burning brains
battle of monsters

I stay awake when I'm asleep
the touch of snake it makes me creep
my eyes are closed but I can see
is it my dream - eternity

I'm breaking away
I try to escape
the fog's everywhere
can I be save-never!!!

there's no way out and no way in
I know I'm locked in nasty dream
the spooky ghosts are haunting me
is it all real - insanity

but I can not run
I'm lying here stunned
please shake me awake
my life is at stake

visions of darkness
in burning brains
battle of monsters
always remains
