Hellsongs, Symphony Of Destruction

You take a mortal man And put him in control Watch him become a god Watch people's heads a'roll A'roll

CHORUS

Just like the Pied Piper Led rats through the streets We dance like marionettes Swaying to the symphony Of destruction

Acting like a robot Its metal brain corrodes You try to take its pulse Before the head explodes Explodes

CHORUS

The earth starts to rumble World powers fall A'warring for the heavens A peaceful man stands tall Tall

CHORUS
