

Helmet, Street Crab

First I'll panic quick and listen
To advice
Agree to anything and try to be
Too nice Then my skin flakes, another allergy
I'm not making sense, just
Ignore me
 Thirst I had at last
 Run the water
Shut my mouth and run past
 What's the matter?
Street crabs buy in fast
 Infect the water
Safe and sound like the perfect food
Ice the beer, it's easy to feel good
What was that you said? I thought
I heard my name but
Every street crab will push the
Vowels the same
 Thirst I had at last
 Run the water
Shut my mouth and run past
 What's the matter?
Street crabs buy in fast
 Infect the water
