

# Hem, Leave Me Here

I should wake up this town - my heart's on fire  
Main road and no one's around as the flames climb higher  
I have been here before and I know the way  
But love seemed sweeter and sure in the light of the day

So as I rise, I will reach for the livin'  
And I'll say no prayer  
Cuz tonight he brought me to heaven  
And left me here

I could tell by his face - those two tired eyes  
It's been a long night searching for grace, now the sun won't rise  
Now I have been here before though I know I am lost  
Cuz the same place that filled me with joy is just a road I crossed  
Just a road I crossed

So as I rise, I will reach for the livin'  
And I'll say no prayer  
Cuz tonight he brought me to heaven  
And left me here

So as I rise, I will reach for the livin'  
And I'll say no prayer  
Cuz tonight love feels nothing like heaven  
Don't leave me here
