

Henning Ohlenbusch, It's Now

Sometimes I don't, I don't,
I won't answer the phone.
It seems more and more like I want to stay home.

Sometimes I don't, I don't,
I won't go to sleep at all.
It seems more and more like I don't want to move.

It's now, she said
It's now.
Get out of bed.

Sometimes I don't, I don't,
I won't want to eat at all.
It seems more and more like I want to stay in bed.

It's now, she said
It's now.
Get out of bed.
