

# Henri Purnell x INNA x Nobody Cares, Pretty Tho

Now i got pretty  
No longer  
Feeling lost  
I thought the bad Times  
No they'd Never end  
But once you left  
I am having pretty thoughts again

You're used to clouding  
All my judgement  
Making me feel like  
I am nothing  
You sent the devil  
To my brain  
I, i ecsape

It felt like you were  
Intoxicated  
When you made me feel  
So suffocated  
And i couldn't take it  
Couldn't fake it no more  
More, more

No i got pretty thoughts  
Once i could  
Shake you off  
Used to have nightmares  
Inside of my head  
They left as soom as you  
Left my bed

No i got pretty thoughts  
No longer feeling lost  
I thought the bad Times  
No they'd never end  
But once you left  
I am having pretty thoughts again

pretty thoughts  
No longer
