

Henry Fiat's Open Sore, Don't Try This At Home

You don't wanna know
Just what I know
And you don't wanna go
To where I tend to go
I know my way around
The oldest kid in town
Just watch me as I roam

But don't try this stuff at home

You don't wanna see
Just what I see
And you wouldn't wanna feel
The feelings that I feel
I know my way around
The oldest kid in town
Just watch me as I roam

But don't try this stuff at home
