

Henry Fiat's Open Sore, Gas His Ass

You gotta problem you gotta problem you gotta problem
More than you need
Sittin' on a cellblock sittin' on a cellblock sittin' on a cellblock
Sentenced to death
In Mississippi in Mississippi in Mississippi
Sorry for you
In the gaschamber in the gaschamber in the gaschamber
Good for you

Gas gas his ass

And your lungs and your lungs and your lungs
Cannot breathe
It's only a shower it's only a shower it's only a shower
Remember that
