

Henry Fiat's Open Sore, Into The Pit

Standin' on the brink of bliss
Standin' on the brink couldn't give a piss
Kickin' myself in the head
Kickin' myself until thee I wed

I'm fallin'
Head over heels
Into the pit

Felicity was the game
Felicity's about to wreck my brain
Climbin' to the top o' the world
Climbin' to find nothin' but love
