

# Henry Fiat's Open Sore, No Damn Escape

Got a monkey on my back on the planet of the apes  
Don't follow me coz I'm in real bad shape  
I'm a friend of a friend who's a friend of a primate  
Schemin' on a plan with all my fellow inmates

I have stuff that you don't have so  
Go, Go

No escape  
From the planet of the apes  
No damn escape  
From the planet of the apes

I need more  
So show me the way to the nearest liquer store  
On the planet of the apes with a monkey on my back  
Don't cha gimme no agg and gimme no flack

I have stuff that you don't have so...  
Go, Go

No escape  
From the planet of the apes  
No damn escape  
From the planet of the apes

No escape  
From the planet of the apes  
No damn escape  
From the planet of the apes
