

# Henry Fiat's Open Sore, No Shit (Give Piss A Chance)

Tell me baby which is better for you  
Number one or number two  
A pint of piss or a plate of poop  
Anything goes you just gotta choose  
Tell me baby how's it gonna be  
Shit from him or piss from me  
Defecation's not a guarantee  
I'll tap a kidney if you just say please

Oh yeah  
Alright  
All I'm sayin's give piss a chance

Take no shit from the man upstairs
