

# Henry Fiat's Open Sore, (Proud To Be The) Black

My clitoris is cold  
Me and my penis wanna heat it up  
The show has stopped  
I don't care I need a drink

More dope  
For me, for you, yeah for all of us

Proud to be the black sheep

Let's hang around the dirt  
Old alcoholics in filthy clothes  
Or with Peter Pan  
Is he a joke or is he a man

F\*\*k me  
I'm not even a f\*\*king joke

Proud to be the black sheep
