

Henry Fiat's Open Sore, Shut Up You're Fucked

You say you wanna make me see
There's no medicine for me
You've got no right to steal my fix
F**khead

Take it back
Take it back
No you can't do that
Give it up
Give it up
Too late, you're f**ked

Shut up, you're f**ked

You say you wanna make me stop
But I can drink until i drop
You've got no right to steal my fix
F**khead
