

# Henry Rollins, Disappearing Act

I'm distracted not attracted  
You attach without connection  
As I self serve my diffracted mind  
I don't want what I need  
I don't care about the scars I leave  
Your name and smile a thrown out file  
As soon as we break away  
Only when I hate you do I really love myself

I will only let you down  
I can only fail you

You won't want me then I'll want you  
When you come back I won't want you  
Pushed and pulled our minds will rip in two  
I'm so scared of what I need I don't care  
About the scars received  
I live in self denial  
I'm afraid of what I've got

I don't know why I hate you when you love me

My life's the lies of you and i  
I've grown so hard that I deny accusations even  
When they're true  
My pain is all I trust I don't care  
How much I bleed  
Don't regret the time you met me  
Don't hold the harm I did against me  
I don't know why I want to hurt you  
When you touch me

Why do you stick around and let me do this?  
Why do you stick around for this torture?

Only when I'm with you do I want to be without  
Your eyes are the windows  
To the emptiness inside me
