

Henry Rollins, You Look At You

Killin' myself again
Losin' to myself again
Livin' in a dream again
Livin' on a lie again
I've got do something and I've got to do it now
I've gotta get to somethin' but I know I don't know how
Always keepin' busy takin' other people's change
I know I'm not afraid to push it but I'm too afraid to ask it
Back to myself again
Forget my name again
Hate my guts again
Parted my friends again
You look at you
You look at you
Lookin' toward myself and all the people that I see
Wonder what they're seein' when they're lookin' back at me
I tell you that I hate you but you know that's just a lie
You know that I don't mean it I'm the one that I despise
Losin' my grip again
Start to slip again
Stand in line again
Look at my mind again
You look at you
You look at you
Can you deal with it
Can you deal with it, deal with it, deal with it, deal with it, deal with it
