

# Herbert Groemeyer, Celebrate The Day

To win again  
To never stop finding  
Moving as one  
Is the word for home  
Begin to place  
Yourself in the big frame  
When you dream  
When you dream  
Away...away

verse 1:

En avant pour la victoire  
En avant pour la victoire  
C'est le moment de l'espoir  
C'est le moment de l'espoir

Let the sweet air  
Fill our hearts  
Walk on and celebrate the...  
Day the day the day celebrate the day etc.  
Grab your drums  
Paint your soul  
Feel the roar and celebrate the...  
To win again  
To never stop climbing  
The rising road  
Of ultimate faith  
Unity  
The world in a heartbeat  
When you dream  
When you dream  
Away...away
