

# Herbie Hancock, When Love Comes To Town (Feat. Jonny Lang & Joss Stone)

I was a sailor, I was lost at sea  
I was under the waves  
Before love rescued me  
I was a fighter, I could turn on a thread  
Now I stand accused of the things I've said

Love comes to town I'm gonna jump that train  
When love comes to town I'm gonna catch that flame  
Maybe I was wrong to ever let you down  
But I did what I did before love came to town

I used to make love under a red sunset  
I was making promises I was soon to forget  
She was pale as the lace of her wedding gown  
But I left her standing before love came to town

I ran into a juke joint when I heard a guitar scream  
The notes were turning blue, I was dazing in a dream  
As the music played I saw my life turn around  
That was the day before love came to town

When love comes to town I'm gonna jump that train  
When love comes to town I'm gonna catch that flame  
Maybe I was wrong to ever let you down  
But I did what I did before love came to town

When love comes to town I'm gonna jump that train  
When love comes to town I'm gonna catch that flame  
Maybe I was wrong to ever let you down  
But I did what I did before love came to town

I was there when they crucified my Lord  
I held the scabbard when the soldier drew his sword  
I threw the dice when they pierced his side  
But I've seen love conquer the great divide

When love comes to town I'm gonna catch that train  
When love comes to town I'm gonna catch that flame  
Maybe I was wrong to ever let you down  
But I did what I did before love came to town
