

# Herman's Hermits, I Understand (Just How You Feel)

(Best)

I understand just how you feel  
Your love for me, why not be mine?  
It's over now but it was grand  
I understand, I understand

If you ever change your mind  
Come back to me and you will find  
Me waiting there, at your command  
I understand, I understand

I miss you so, please believe me when I tell you  
I just can't stand to see you go  
You know

If you ever change your mind  
Come back to me and you will find  
Me waiting there at your command  
I understand, I understand

[Spoken:]  
"I understand just how you feel. Let bygones be bygones.  
But always remember I love you, I love you, I love you."

(We'll sip a cup of wine, my dear, for Auld Lang Syne)  
I understand
