

# Herman's Hermits, Lemon And Lime

(Gouldman)

Mr Brown: Lemon and lime  
Turn of the time  
Or five for a couple of bob.  
Good for a cold  
You'll never grow old  
For wheezing there just the job.

Around the corner  
In the market square  
Thats the spot to make your pitch.  
Around the corner  
Put your barrel there  
That the place where you'll get rich.

Carrots and spuds  
Jeffers and bloods  
They're lovely, ripe and sweet.  
Let it out loud  
Pull a big crowd  
To value they can't be beat.

Around the corner  
In the market square  
Thats the spot to make your pitch.

Leck: Around the corner  
Put your barrel there  
That the place where you'll get rich.
