

Hermes Hause Band, I will survive

At first I was afraid
I was petrified
Kept thinking I could never live without you by my side
But then I spent so many nights thinking how you did me wrong
And I grew strong now I learned how to get along
And so you're back
From outer space
I just walked in to find you here with that sad look upon your face
Should have changed that stupid lock
Should have made you leave your key
If I'd've known for just one second you'd back to bother me
Go on now go, walk out the door
Just turn around now
`Cause you're not welcome anymore
Weren't you the one who tried to hurt me with goodbye
Did I Crumble?
Did you think I'd lay down and die?
Oh no. That I. I will survive
For as long as I know how to love I know I'm still alive
I've got all my life to live
I've got all my love to give and I'll survive
I will survive
It took all the strength I had not to fall apart
Kept trying hard to mend the piece of my broken heart
And I spent all so many nights
Just feeling sorry for myself. I used to cry
But now I hold my head up high
And you see me somebody new
I'm not that chained up little person still in love with you
And so you feel like dropping in
And just expect me to be free
Now I'm saving all my loving for someone who's loving me
Go on now go, walk out the door
Just turn around now
`Cause you're not welcome anymore
And you're the one who tried to hurt me with goodbye
Did you think I crumble?
Did you think I'd lay down and die?
Oh no not I, I will survive
Ohh as long as I know how to love I know I'm still alive
I've got all my life to live
I've got all my love to give and I'll survive
I will survive
Hey hey
