

Hermits Herman's, End Of The World

Why does the sun gone shining?
Why does the sea rush to shore?
Don't they know it's the end of the world
When you don't love me anymore?

Why has my heart gone beating?
Why do these eyes of mine cry?
Don't they know it's the end of the world?
It ended when you said goodbye.

I wake up in the morning and I wonder
Why everything's the same as it was.
And I can't understand, no I can't understand
Why life goes on the way it does.

Why do the birds gone singing?
Why do the stars shine above?
Don't they know it's the end of the world?
It ended when I lost your love.

Don't they know it's the end of the world?
It ended when you said goodbye!
