

Hetane, Brabrasen

Brabrasen

I have toiled for those f* fools

Brabrasen

Ive been the bloodsuckers tool, power fuel

Brabrasen

Ask me now - brabrasen- what the f* is it for ?

Brabrasen

Ive got my wounds and I dont belive in yours

I am leaving you , Im leaving my cell

Breaking the man - you break his tune

You break his neck, you make him nude

I cant stand it, brabrasen

I cant stand it, brabrasen

Brabrasen
