

Hetane, Monopoly

See I'm the law
See I'm the blow
I fill the pipe smoked by a hog
Why all the new things mean nothing...
Why you use me to wipe your nose...?
Digga' digga' monopoly
I can eat the mould
I can crawl like slow-worm
I can wear rags - foul -
If it helps to bring it down
Why you eat me to vomit
Why you drink me to piss to a crown
Digga' digga' monopoly
I can eat the mould
I can crawl like slow-worm
I can wear rags - foul -
If it helps to bring it down
They don't know if I bite
(so) muzzle me, keep on leash
just don't know if I'm bad
shut my mouth "it's not allowed!!!";
Then want more- damp me down
shut my mouth - "it's not allowed!!!";
