

Hetane, White-Legz

I should not stay in your bed
Im totally drunk, Im not well
I muddled up my thoughts, but still Im not yours
O friend o well, you never miss
You stop my lips - you never kiss
I know you need my bones like I need yours
Im restless my boy Im somewherein dirty marsh
Im useless
Im restless my boy Im somewherein an acid drain
Im useless
My body in the water- cocoon
I lie in the white-legz bath
In silver-teeth mouth of break-down
I waggle up and down
Im going mad
O friend, o well, I need to rest
Im a slave of time, Im a slave of mess
I struggle to not to belong to this whores
My body in the water- cocoon
Its the circus where I play
I juggle with feelings well
I jump through my weakness
I tell youI tell you: dont !
Keep away from the bath !!
Im restless in the world of running ratsIm useless
Useless
