

# HEWRA, NØ KOLOR

chill around us  
strange from the fallout  
blow, bang, make this fucking bailout  
i don't needs no colors  
i don't needs no colors  
chill around us  
strange from the fallout  
blow, bang, make this fucking bailout  
i don't needs no colors  
i don't needs no colors

damages what's damage  
no guns, nights style  
elbows, arm bows  
splash in, and splash out  
damages what's damage  
no guns, nights style  
elbows, arm bows  
splash in, and splash out

ball out
