

# Hey, Don't Walk Away

I've been waiting  
I've been searching  
for a beautiful one like you

I've been crying  
in the darkness  
like the bottom of the ocean

Please don't walk away  
till I'm melted by a dream

Don't think I'm insane  
I just want to be... loved

I've been waiting

I've been crying  
in the darkness  
like the bottom of the ocean

Please don't walk away  
till I'm melted by a dream

Don't think I'm insane
