Hey, Don't Walk Away

I've been waiting I've been searching for a beautiful one like you

I've been crying in the darkness like the bottom of the ocean

Please don't walk away till I'm melted by a dream

Don't think I'm insane I just want to be... loved

I've been waiting I've been searching for a beautiful one like you

I've been crying in the darkness like the bottom of the ocean

Please don't walk away till I'm melted by a dream

Don't think I'm insane I just want to be... loved -
